## Happy Lunchtime Award

We've launched our 'Happy Lunchtimes' this week! We're really excited about this and are hopeful it will be a success.

Our playground will have 'zones' with different activities each day and on wet days we will have themed rooms for games, reading etc.

A positive reward system will be in place where tokens will be given to children for good behaviours. The children will place their tokens in the house point tubes and each week the house that receives the most tokens will receive 100 house points!

Once a term our Lunchtime Supervisors will also nominate children for the top table reward.

We welcome any donations that can be used during lunchtimes such as board games, Lego, bricks, dolls and cars.

**We have been offered the opportunity to run various qualifications for First Aid in the first week of the Summer Holidays. At the moment we're trying to gather interest to see whether this would be viable for us to do. If this would be of interest to you please let us know by emailing us at**

### Governors Out Of School Achievement Award

School Governors give out these awards to the pupils in recognition of an achievement reached outside of school. There are two categories for the awards; a child who has made a positive contribution towards their community or family, and a child who has attained a personal achievement award in sport, music or the arts. If you wish to nominate your child or any other Lawley Primary School pupil for either of these awards then please contact the school office for a nomination form. Entries should be returned by Tuesday 20th June.
