PE and school sport provision at Lawley is Good with elements of Outstanding. Children are engaged and enjoy PE during curriculum, breaktimes and lunchtimes and in after school clubs. School teams have been successful in many sports this year.

Areas to develop are:

- To engage ALL children in an extra curricular club.
- To improve the numbers of pupils in KS1 and KS2 taking part in inter-school competitions. Aim that every child will represent their school at some point.
- To continue to improve the provision of sporting activities at breaktimes and lunchtimes.
