Planting the seeds, growing the future

Magical Maths KS2 Children (Yr 3-6)

13th November 2017

Dear Parents/Carers,

Magical Maths is coming to Lawley Primary School with a super fun after school maths club and we would like to invite KS2 (years 3-6) children to come along and join us for some fantastic mathematical fun! Magical Maths is a super fun after school club designed to boost children's confidence and better engage them with maths.

Each week has a different theme and includes a dressed up character including Professor Poopenshtinken (maths genius), the Mathemagician, Stately Holmes (the maths detective) and the Olympic Mathletes!

The club will run after school on **Thursdays**, starting **Thursday 11th January 2018 at 3:25pm to 4:25pm** and will run for **6 weeks**, the last session will be 15th February 2018

The cost of the club is **£39.00** for all 6 weeks.

There are **limited places** available and will be **allocated on a first come first served basis**.

The club will take place in the year 3 classrooms and all children will **leave through the main reception area at 4:25pm**

If your child would like to attend the club, **please make your payment via Parent Pay www.parentpay.com no later than the end of the day on Tuesday 21st November so that your child can take part.**

If you have a problem accessing parent pay please contact the school office.

If you do not hear from us, your child has secured a place.

Yours sincerely
Mrs Kinnon (Clubs co-ordinator)
