Planting the seeds growing the future

Welcome back!

Happy New Year to you all! The children have had lots of exciting stories to share about their Christmas break and it has been lovely listening to them. We hope everyone is feeling refreshed ready for the coming term as we have many fun things planned which will help us learn a lot too!

As you are aware we now have a trolley by the school hall so that we can make donations of tinned food and essential items to Telford Crisis Support on a regular basis. Thank you all for your generous donations so far which we passed on before Christmas along with our Secret Santa items. Have you been spoilt this Christmas or received any unwanted gifts? If so they would be greatly appreciated.

In recent years Lawley Primary has had the privilege of working with Mr Malcolm Webster who has served as a Governor. As he leaves this role we would like to thank him for his contribution to our school and we wish him all the best for the future.

We now have a vacancy for a Governor's role; a role that is important in the life and development of school. We are inviting applications and if you would be interested please email a2061@taw.org.uk for further information.

IMPORTANT MESSAGE

Please note that for health and safety reasons the tyre park is locked and out of use. Please ensure your children do not try to access the area before and after school. Thank you.

IMPORTANT MESSAGE

The Big Battery Hunt!

We are asking children to collect used batteries to help them become aware of the need to recycle and the effect they can have on the future of the environment. Please help us to collect as many batteries as possible (AAA, AA C and D sizes).

All children have been given a collection box and we have charts in place to record all batteries collected individually, as classes and as a school. We will collect until April; please bring boxes in as they become full.

Thank you for your support.

Please find information about what provision is available for children and young people with SEND 0-25 years at: <http://www.telfordsend.org.uk/localofferservices/>

Please be reminded of the parents parking promise that you can sign up to. By signing up to this you are agreeing to keep parked cars away from school and to use the designated park and stride area which is Morrisons car park. Once you have agreed to this you will receive your parents parking promise sticker. If you do need to park near school please ensure you do so safely and respectfully to our neighbours.

Uniform Stock

Baker and Son School Wear based in Wellington is our supplier of uniform. They have stock in the shop and you can also order online by visiting <http://www.bakerandsonschoolwear.co.uk/product-category/your-school/lawley-primary/>

They will be happy to deliver to the school on a Thursday if needed; the free delivery voucher code is "lawleyp" and this can be used online at the checkout to deduct the £3.95 shipping cost.

Please note we no longer have any uniform stock in school.

A Pandora bracelet has been handed in to the school office. If you have lost one and think this may belong to you please contact us.
