

## Summer term: OPAL NEWSLETTER

This term we have seen many new things during our OPAL Lunchtime.

Mrs Shore has opened a new secret garden, the children are learning new gardening skills, such as sowing seeds, weeding, learning digging skill and much more. We were very kindly gifted two fruit trees from Bournville village trust with the international tree foundation which will bear fruit for years to come.

We have also received an extremely exciting delivery from McPhillips, this has now

become our giant marble run, the children are extremely happy with this it is an exceedingly popular area on the KS2 playground. A big thank you to the McPhillips team.

We have welcomed many new activities this term, year 3 and 5 had the pleasure of enjoying them with their parents and carers during our second stay and play sessions.

I am sure you will agree it was a fantastic afternoon.
