

April: OPAL NEWSLETTER SPRING 2

We are excited to share the fantastic progress and experiences our pupils have been enjoying through our OPAL (outdoor play and learning).

Over the last few weeks, children across the school have been making the most of our outdoor spaces. From creative play to teamwork challenges, OPAL has transformed playtimes into a rich, fun experience.

What the children have been doing during lunchtimes

Den building, creating obstacles courses, building the biggest sandcastles possible, enjoying music and dance routes, and not forgetting turning the playgrounds into a rainbow of colours plus so much more.

We need your help

Please let us know if you have any links with builders' merchandise or other companies. We are on a mission to create the biggest balancing station the children have seen.

To do that we need more decking planks, scaffolding boards and tires.

Stay and play sessions

In spring term year 4 held our first stay and play session, many parents and carers joined in with the fun. Year 4 hosted Lawley has talent where there were smiles all around.

Thank you for everyone that got involved.
